

**Amahle** (FEMALE - 17year) A party girl that loves the attention of men, but doesn't take any nonsense. She's confident and street wise.

The two girls are catching up over lunch.

**AMAHLE**

So, you and Aaron  
on the one's and two's, right!  
It's been a long set?

**MSIZI**

Ja something like that. We're together now.

**AMAHLE**

As long as you're protecting yourself girl,  
I say keep having fun.

Msizi keeps quiet for a beat. Amahle notes this.

**AMAHLE** (CONT'D)

You are doing it safely, right?

**MSIZI**

It's chilled. We're safe.

**AMAHLE**

I've still got my eye on that Spencer .  
I like him. Super cute, for days.  
But I don't know if he's shy or scared.  
Has he said anything to you about me?  
What's his vibe?

**MSIZI** (evasive)

I don't know.

*(Amahle's not entirely sold, but chooses to let it go.)*
